PROFILE

Pharma and Business Analytics professional with more than 3+ years of experience in product management and data-driven marketing in the healthcare industry. Adept at cross-functional collaboration, market research, and stakeholder engagement, with a focus on enhancing brand performance and market share

EXPERIENCE

Assistant Product Manager — Icon Life Sciences, Hyderabad

2/2026 - Present

Neuro-Psychiatry Portfolio (₹110 Cr+)

Managing ₹110 Cr+ Neuro-Psychiatry portfolio including Arifine (Aripiprazole), Brivup (Brivaracetam), Gabawin (Pregabalin) and Homin, supporting a 200+ field force

Planned and executed the Homin Clinic Marketing Campaign, resulting in strong Rx growth and improved brand visibility among psychiatrists

Contributed to 13% unit growth in Arifine through focused campaign strategy, market segmentation, and targeted field activation

Actively involved in development of LBLs, Visual Aids, and promotional inputs for Arifine, Brivup, Gabawin & Homin, aligned with therapy positioning

Working closely with sales and medical teams to drive effective product training, campaign rollouts, and execution tracking

Monitoring secondary sales performance and competitor activity to identify growth opportunities and improve brand performance

Strong exposure to Neuro-Psychiatry therapy covering Depression, Psychosis, Epilepsy, and Neuropathic Pain

Marketing (Cardio-Metabolics Division) -

Brands - GLYNAMIC, TELDAWN & CTASORIN ADVASTAT

- * Achieved 10% YoY growth in Glynamic (Metformin+Glimepiride) brand by executing a data-driven marketing strategy targeting high-potential doctors and geographies
- * Led territory-level segmentation using secondary sales data and prescription behavior to identify under penetrated zones, boosting market coverage efficiency by 18% (Units Growth)
- * Designed high-impact promotional inputs and CME campaigns that contributed to Glynamic's repositioning as the preferred dual therapy option among general physicians (GLYNAMIC FIRST CAMPAIGN)
- * Spearheaded KOL engagement programs and CMEs in top hospitals, strengthening brand credibility and prescription adoption
- * Collaborated with cross-functional teams (sales, marketing, medical) to build a quarterly action plan for Glynamic & Other Brand that improved PCPM across 3 key regions
- * Presented monthly insights and competitive intelligence reports to leadership, translating field feedback into actionable product and campaign refinements
- * Proposed and implemented product-wise incentive schemes for the field force, improving PCPM performance by 15%

Additional

- * Collaborated with the Critical Care team to plan and execute marketing activities and brand promotion campaigns for products such as **Kaviox and Sulbapime** increasing brand visibility and driving engagement among target healthcare professionals
